Forecast For Wales
Issued by Met Office Exeter
at 1600 on Thursday 25 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Turning very windy with outbreaks of rain.

This Evening and Tonight:
Showers feeding into the far west on Thursday evening. Elsewhere, staying largely dry and becoming frosty in places. Cloud increasing though the early hours with temperatures recovering by dawn. Becoming windy with outbreaks of rain spreading south. Minimum temperature 1 deg C (34 deg F).

Friday:
Rain clearing the region by mid-morning with brighter skies and blustery showers following, some with hail. Widely windy, with Storm Arwen bringing severe coastal gales into the evening. Maximum temperature 10 deg C (50 deg F).

Outlook for Saturday to Monday:
Sunshine and showers on Saturday, some wintry over hills, but very windy and cold. Much lighter winds on Sunday, then turning cloudier and less cold through Monday with light rain.
